You may pay your bill online at www.camillawatersupply.com or mail in your payment. Please sign up for alerts on line and if we have scheduled work, we try to notify our customers prior to having any water interruption, but sometimes, unforeseen breaks happen and it may be off without prior notification.

Do not use your meter for a cut off valve, you will need to install a cut off valve on your side of the meter.

The corporation stops on either side of the water meter are not for customer use.

Please feel free to use my cell phone number if you have any questions, you may call or text.

Thank you and we welcome you as a customer.
